

Braveheart Resources Ltd

- ◉ *“We are all inventors, each sailing out on a voyage of discovery, guided each by a private chart, of which there is no duplicate. The world is all gates, all opportunities.”*

— Ralph Waldo Emerson

About Us

Braveheart Resources Ltd is an established name in the marine industry, providing services to buyers and sellers of new build, second hand and recycle marine assets. Over the years we have formed long lasting relationships on the basis of the services that we have provided. We can count among our clientele, several renowned and established names. We at Braveheart Resources Ltd take great pride in our work and strive to achieve perfection in all that we do.

Braveheart Resources Ltd

Our Motto

“Count on us”

Services

New Build, Second Hand Sales & Purchase

↙ We at Braveheart Resources Ltd handle New building sales/second hand sales, purchase and contracts.

We also regularly provide owners, financial institutions and insurance companies with valuations of commercial ships.

- ↙ Cash buying
- ↙ Assistance with contract closing
- ↙ Strategic market information
