SPEED 14,5
GENS 3 X 460KW
GEAR: 4 X 30,5T CRANES
LDT 7737

VESSEL IS EQUIPPED WITH SCHNEEKLUTH DUCT AND PBCF PROPELLER.

SURVEYS/EXTENSIONS AS FOLLOWS:

IMO extension for BWTS: 22nd July 2022
US Coast Guard extension for BWTS: 18th October 2021

Vessel has already obtained class approval for the installation of the ballast water treatment system.

Detailed design has been already performed and relevant drawings for installation, piping, electric, etc have been already prepared and approved by classification society (NKK).

In addition to the above, vessel will perform all required modifications for the installation of the BWTS during the forthcoming dry-docking in china (additional piping, wiring, foundations, etc). The only thing that will be pending is the installation and commissioning of the BWTS itself.
